Someone Exactly Like You

** **

As the light fades and the sky fills with color

I ask myself can there ever be another?

Someone I can talk to

When I'm feeling blue

Someone who will always be there

When nobody else really cares

Someone who will make me feel loved

Whenever I am shovved

Someone exactly like you

Who will always be true

Oh why did we have to part

You know no one could replace you in my heart

It's for you I long

But now you're with angels, where you've always belonged

I know you can never come back to me
So promise you'll never forget me
Just remember I love you
And I know you love me too

End
file.
